Intermediate is all about practice, so I would highly recommended the extra two books, along with the solutions manual for the textbook, and the test banks. The test banks are a good place to start since there's like 200 questions per chapter. There's lots of multiple choice and a bunch of lengthy exercises. Don't think of using a test bank as cheating, college is about learning, and the ...

At my school we use intermediate accounting 7th edition and what I found was that after studing I had a lot of notes to take to class the next day so the professor could explain them to me. I noticed that the professor was using this book to simplify the problems and that's when I decided to get a hold of a copy for myself. I must say I did not regret it one bit.
